Public transport for children

Children's public transport, using vehicles assigned to public transport duties (i.e. with more than nine seats, including the driver's seat), is defined as transportation organised primarily for persons aged under 18, regardless of the reason for their journey.

In 2015, children's public transport is prohibited on **Saturday 1 August**, throughout the 24-hour period concerned. This ban applies to all the travels except those made inside a département and between bordering départements.

Safety advices

For your safety and that of the other road users :

- ▶ respect in any event the safety distances and the speed limits;
- ▶ follow the advice of caution spread on the road signs;
- ▶ when driving, don't use television set, video games consoles and DVD players (decree of 30 July 2008);
- ▶ you do not use your mobile phone when you are driving, to hold both hands on the wheel and remain watchful (decree of 3 January 2012).
